

08:30 – 09:00		Registration
09:00 – 09:15		Opening remarks
Session 1	How can simulation improve patient safety?	Chair: Mrs Caroline Lee, Head of CEC
09:15 – 10:15	The patient experience as a catalyst for change	Mrs Margaret Murphy WHO Patient Safety
10:15 – 10:30	A showcase of regional examples of simulation based education	Simulation-based education within Trust Governance Northern Trust anaesthetics
10:30 – 10:45		IPE training Sr Majella Dillon, RICU
10:45 – 11:00		Prescribing Practices Dr R Conn/Dr R McCrory
11:00 – 11:30		Coffee and Trade Exhibition
Session 2 11:30-12:30		Parallel Workshops
Lecture Room 1	How to design simulation scenarios	Dr Nicola Weatherup and Dr Martin Duffy
Lecture Room 2	Challenges and Achievements in Medication Standardisation and learning from errors	Mrs Angela Carrington,
Lecture Room 4	Wrong sided errors in healthcare: <i>causes and solutions from a human factors perspective</i>	Dr Richard Corry, Dr Gerry Gormley and Dr Carl Brennan
12.30 – 13:30		Lunch, Poster Judging & Trade Exhibition
Session 3 13:30-14:30		Parallel Workshops
Lecture Room 1	Inter-professional undergraduate education	Ms Billiejoan Rice, Dr Marian Traynor, Dr Helen Bunting
Lecture Room 2	Multi-disciplinary training involving School of Drama	Dr Ben McNaughten, Dr Rory Sweeney, Dr Paul Murphy
Lecture Room 4	How do you run an in-situ simulation programme?	Southern Trust
14:30-15:00		Coffee and Trade Exhibition
Session 4	A network approach to...	Chair: Crina Burlacu Chairperson IAS
15:00-15:55	Improving Patient Safety using a human factors approach	
15:55-16:00	Closing remarks and poster prize giving	

Northern Ireland Simulation & Human Factors Network

NIS
HFN

“Theory into Practice: Using simulation and human factors training to improve patient safety”

Autumn Conference

Friday 20th October 2017
Riddel Hall, Belfast
